⚒ EE RADIATOR BRACE INSTRUCTIONS

Required tools:
8mm socket or T-handle
4mm Allen wrench
Scissors or side cutters

1 Using an 8mm T-handle or socket, remove the radiator shrouds (six bolts per side). **(fig. 1)**

2 Remove the plastic radiator louvers **(fig. 2)**.

3 Using an 8mm T-handle or socket, remove the radiator mounting bolts (two per side) **(fig. 3)**.
Note: This hardware will not be re-used.

4 Prepare the R1 and L1 radiator brace parts.
    a. Attach two of the supplied support rods using the M6x16mm button head bolts as shown **(fig. 4)**.
    b. While leaving all radiator hoses attached, rotate the radiator away from the motorcycle and maneuver the R1/L1 brace assembly into position as shown **(fig. 5)**.
    c. Using the supplied M8x30mm hex head bolts and washers, attach the radiator and brace assembly to the frame **(fig. 6)**.
Note: On the left side, re-attach the clutch cable retainers as shown **(fig. 6.1)**

5 Prepare the R2 and L2 radiator brace parts.
    a. Install the supplied rubber bumpers as shown **(fig. 7)**.
    b. Cut and attach the supplied Neoprene tape in the areas marked as shown **(fig. 7)**.
    c. Using two of the supplied M6x8mm button head bolts on the back side and two M6x16mm on the sides, attach the R2/L2 pieces to the R1/L1 assembly **(fig. 8)**.

6 Mount the R3/L3 radiator brace support parts.
    a. Use approximately 3.5" of Neoprene tape to wrap around the frame support **(fig. 9)**.
    b. Position the supplied 11-8018-02 machined clamp over the frame support as shown.
    c. Attach the R3/L3 piece using the supplied M6x8mm bolts at the radiator side and the M6x12mm bolts at the frame side **(fig. 10)**.

7 Re-attach the radiator shrouds.
    a. Using the OEM hardware, start with the front two radiator mounts. Then the rear most mount, then the middle three bolts from front to back.
Note: may need to loosen the Radiator brace – Frame support (from step 6) bolts to align the shroud mounting holes.

8 Be sure all fasteners have been tightened.

Have fun and ride safe!
