

1. Clean your brake and clutch levers off of any tape or other materials.
2. Hold Lever Gripper up to the first lever you would like to install the Lever Gripper on. Determine the desired coverage of the Gripper on your Lever. (FIG 1)
3. Using a pair of scissors, cut the desired amount off of the Lever Gripper. We suggest cutting equal parts of each end of the Gripper to keep the logo in the center. (FIG 2)
4. Once the Gripper is to the size you desire, slide the Lever Gripper over the end of the lever and place in your desired spot on the lever. We suggest facing the logo towards the grip to prevent the logo from wearing off over time. (FIG 3)
5. Once you have the Gripper in place, take a heat gun and slowly heat up the gripper all the way around. Do not hold too long in the same place to prevent from melting the material. (FIG 4)
6. Check to make sure that there are no bubbles or wrinkles in the Gripper. If there is bubbles or wrinkles, continue to heat until smooth. (FIG 5)
7. Repeat steps 2 through 6 on the opposite lever.
8. Have fun and enjoy your next ride.

WARNING AND DISCLAIMER

All parts manufactured, designed or sold by Enduro Engineering, Inc. (EEI) are to be installed by a licensed motorcycle dealer or a licensed motorcycle technician. Motorcycles can be dangerous. Serious injury, death and property damage can result from the use of motorcycles. This risk is increased by improper installation or misuse of after market parts. EEI's customers must exercise good judgement in the use, control, alteration, part selection and installation, and maintenance of their motorcycles. In the event of a possible defect in material or design, or any other defect in a part manufactured, designed or sold by EEI, the responsibility of EEI is limited to either a refund of the purchase price or the replacement of the part if EEI determines the part to be defective, and subject to EEI's inspection of the part within thirty (30) days from the date of purchase. (Note: any attempted repairs or modifications made to EEI Products will void this limited warranty.) EEI, under no circumstances will be responsible for incidental and/or consequential damages, property damage, personal injury damage, or damage, injury, cost or expense of any kind or nature whatsoever. By purchasing as EEI product or a product sold by EEI, you (1) acknowledge the above disclaimer and agree to its terms; (2) agree that any claim brought against EEI arising from and/or pertaining to or otherwise related to a part manufactured, designed or sold by EEI must be brought in the Michigan State Courts located in the County of Ingham or in the Federal District Court for the Western District of Michigan and the Michigan law shall apply on all issues; and (3) any claim against EEI must be brought within one (1) year of purchase of the product. EEI makes no other warranty, express or implied, including without limitation any warranties of merchantability and fitness for a particular purpose.
