

## KTM/Husaberg Spark Arrester End Cap Installation Instructions

**1** Using an 8mm socket, remove the 2 mounting bolts on the side of the silencer; pull the silencer back and off of the exhaust pipe.

**2** Using the supplied 3/16" drill bit, drill out the four rivets holding the stock end cap in place. (Fig 1) You may need to use a small punch to drive the rivet free from the hole (Fig 2)

**3** Reinstall the silencer on the bike.

**4** Using a wooden or plastic handle, slip the end of the handle in the end of the stock cap and wiggle the stock cap free from the silencer. (Fig 3)

**5** Remove the stock end cap (Fig 4)

**6** Next, push the stock packing in about one inch to allow room for the Enduro Engineering end cap base. (Fig 5)

**7** Install the base of the Enduro Engineering end cap (Fig 6), make sure the drain hole is located at the bottom of the silencer (Fig 7)

**8** Install the supplied four torx head bolts through the body of the silencer and in to the end cap base. (Fig 8)

**9** Install the Spark Arrester screen with the bubble out in to the end cap base. (Fig 9)

**10** Remove the rubber o-ring from the stock cap and install it on the Enduro Engineering cap (Fig 10)

**NOTE:** It may help to stretch the o-ring slightly to make installation easier.

**11** Using a 4mm Allen wrench, install the two supplied Allen head bolts. (Fig 11)

### WARNING AND DISCLAIMER

All parts manufactured, designed or sold by Enduro Engineering, Inc. (EEI) are to be installed by a licensed motorcycle dealer or a licensed motorcycle technician. Motorcycles can be dangerous. Serious injury, death and property damage can result from the use of motorcycles. This risk is increased by improper installation or misuse of after market parts. EEI's customers must exercise good judgment in the use, control, alteration, part selection and installation, and maintenance of their motorcycles. In the event of a possible defect in material or design, or any other defect in a part manufactured, designed or sold by EEI, the responsibility of EEI is limited to either a refund of the purchase price or the replacement of the part if EEI determines the part to be defective, and subject to EEI's inspection of the part within thirty (30) days from the date of purchase. (Note: any attempted repairs or modifications made to EEI products will void this limited warranty). EEI, under no circumstances will be responsible for incidental and/or consequential damages, property damage, personal injury damage, or damage, injury, cost or expense of any kind or nature whatsoever. By purchasing an EEI product or a product sold by EEI, you (1) acknowledge the above disclaimer and agree to its terms; (2) agree that any claim brought against EEI arising from and/or pertaining to or otherwise related to a part manufactured, designed or sold by EEI must be brought in the Michigan State Courts located in the County of Ingham or in the Federal District Court for the Western District of Michigan and that Michigan law shall apply on all issues; and (3) any claim against EEI must be brought within one (1) year of purchase of the product. EEI makes no other warranty, express or implied, including without limitation any warranties of merchantability and fitness for a particular purpose. R.JRF.Sec.randt.warninganddisclaimer. 5-2-08
